Sir;

Greetings!

The Bureau of Fire Protection – Malaybalay City Fire Station intensifies the conduct of fire safety and awareness campaign in the city. MCFS personnel continue to reach out to the public, especially in schools, to provide fire prevention information and fire safety consciousness. It is our aim to have a fire-free and fire-safe community.

As part of our intensified Fire Safety Awareness Program, we will be gathering and assessing the Fire Prevention Plans and Programs of the different schools in the city.

In this connection, undersigned respectfully request for schools in your division to submit to this station the following:

- a. Name of School
- b. School Principal & Contact Number
- c. School DRRM Coordinator & Contact Number
- d. School Fire Prevention Plans & Programs

The information gathered will be a big help in attaining a safer and more progressive Malaybalay City. We are hoping for your favorable request on this matter.

Thank you and God bless us all.

Sincerely,

FO1 Ian Vincent A. Amenhay
MCFS Chief, Plans & Trainings
