SIR:

The Undersigned have the honor to ask permission from your good office to allow the Bukidnon State University Student Interns to do their practicum in your division. Assignments of these Student Interns per school will depend on their qualifications to render 8 weeks of teaching immersion at any cooperating schools to fulfill the twelve-unit course for the undergraduate degree program starting January 28, 2019 and ends on March 15, 2019. The program is based from the implementing guidelines of the clinical exposure as stipulated in the proposal, Memorandum of Agreement and the revised policies, standards and guidelines of Student Internship Program (SIPP) of the Commission on Higher Education CHED Memorandum Order No.104s.2017.

Rest assured that these students are well trained during their pre-service trainings and on-campus exposure. Their competencies are effective to help in the achievement of your goals and objectives in honing basic education students become aware of their responsibilities as a citizen and prepare them to their desired profession. Attached herewith is the list of names of student interns both for elementary and secondary program.

Moreover, we would like to request for the date of the conduct of the Student Internship **Orientation** Program for the Off-Campus Teaching by the DepEd. May this letter will served as approval to do the **school visitations** by the selected University professors to the different assignments.

Your favorable action and approval would mean a lot for the success of collaborative endeavor in serving the community.

Very truly yours,

LINCOLN V. TAN
