Regional Advisory No. 46, s. 2019

RELEASED

In regard to the Request Letter from Little Me Academy, Cagayan de Oro City, this advisory is issued for the information of DepEd Officials, Private School Heads, and the concerned public.

March 04, 2019

ONLINE OPEN HIGH SCHOOL

Little Me Academy, Cagayan de Oro City will visit all public schools and its provincial and city schools divisions in order to raise awareness, orient, and educate all learners and adults that there is a Flexible Learning Option for them which is affordable, inclusive, and accessible starting March 2019 and onwards.

The activity aims to achieve the following:

- Advance learning conditions since students no longer have to physically go to school to attend classes hence eliminating such worries as student-teacher and student-classroom ratios;
- Increase secondary school enrolment rates and completion rates;
- Provide globally competitive education to all; and
- Better equip more Filipinos for jobs and opportunities other than menial jobs.

For more information and other details, please see attached letter or email at littlemeacademy@gmail.com.

For information and appropriate action.

Dear Dr. Bayocot:

Greetings in Christ!

We are very thankful for the permit accorded to us by your good office re our Online Open High School. And because we believe in your mantra that Education should be for all, Little Me Academy launched this program, which is the first of its kind in the Philippines as a Flexible Learning Option for Filipinos, on October 23, 2018 to reach out to all.

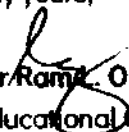

Twenty-first century education calls for inclusivity. One 50-year old woman who attended the launching said that her dream to graduate in high school will finally come true! Although she wants to go to school, she is too embarrassed to physically attend classes and too poor to not earn a living just to finish high school. We wish to give hope to many more Filipinos both here and abroad.

With that said, we would like to request from your good office permission and endorsement to allow us to visit all public schools of Region 10 and its provincial and city schools divisions in order to raise awareness, orient, and educate all students and adults that there is a Flexible Learning Option for them which is affordable, inclusive, and accessible.

At the end of the day, we hope to partner with you as we aim to 1) advance our learning conditions since students no longer have to physically go to school to attend classes hence eliminating such worries as student-teacher and student-classroom ratios, 2) increased secondary school enrollment rates and completion rates, 3) provide globally competitive education to all, and 4) better equip more Filipinos for jobs and opportunities other than menial jobs. One day, the Philippines will lead the way in education, with God's grace. We pray for your support.

May this request merit a positive response from you, all for God's glory! We can be reached at 0917.713.3886 for an advice from you. Thank you very much. God bless you as you continue to serve the Region with a joyful heart!

Very truly yours,
