These activities endeavor to introduce concepts and perspectives of the 4.0 workforce and to cope with the accelerating digital transformation of societies which requires different skill sets; to engage various stakeholders in a more technology focused and responsive career guidance; to strengthen partnership between and among government and private agencies for the efficient delivery of career guidance services to the youth; to provide updates on Labor Market Information necessary in the conduct of career guidance activities; and to convene the members of the network.

The target participants to this activity are public and private guidance counselors/designates, Job Placement Officers, Grade 10 Classroom Advisers, PESO Officers and representatives from partner agencies. There will be a registration fee of Php 1,800.00 for non-CCANR-10/CGN 10 members and Php 1,500.00 for its active members to cover honoraria, meals and other expenditures.
