SUBJECT: SCHOOL WATCHING AND HAZARD MAPPING ACTIVITY FOR DENGUE

1. Recent report of the City Health Office during the City Disaster Risk Reduction and Management Council meeting shows that there are 1,277 dengue suspected cases recorded in the City from January to fifth of September this year. Hence, this Office directs all School Heads to activate their School Watching Teams to do the following:
 - Search for and destroy mosquito breeding sites in schools such as stagnant water in canals and drip tray of water dispensers,
 - Make a hazard map for dengue,
 - Communicate findings and dengue hazard map to School Planning Team and Dengue Brigade, and
 - Post dengue hazard map to DRRM Corner in each classroom.
2. Proper documentation should be done by the School Watching Team Moderator. Photos of the conduct of the activity shall be uploaded to Facebook group DepED Malaybalay DRRMers using the hashtag #SWT4Dengue.
3. Should there be queries, contact **Jimdandy S. Lucine** through 0917 115 6864.
