RELEASED

12TH QUANTUM INFORMATION TECHNOLOGY CONVENTION

The College of Computer Studies will hold the **12th Quantum Information Technology Convention** on January 24-26, 2020 with the theme "The Revolution of Possibilities."

The Quantum and Information Technology Convention is one of the premier IT conventions in Northern Mindanao whose aim is to present the rapidly advancing trend in technology and the opportunities it brings. It is an annual event that will be attended by participants ranging from students to IT professionals from different schools and businesses all over the Philippines. The event presents guest speakers from various distinguished names from the IT industry, which will serve as a great opportunity for the participants to garner and be up to date with new information as well as in meeting the speakers in person.

More information may be inquired from **Ms. Kathleen G. Pacanut**, with mobile number at 09268537123 and e-mail address at qitc2020@gmail.com.

Dear Mr. Bayocot:

Pax Christi!

The **Quantum and Information Technology Convention (QITC)** is a Mindanao-wide IT convention organized by the students of the College of Computer Studies. Running on its 12th edition this January 24 - 26, 2020, QITC has the goal to gather IT enthusiasts, students and entrepreneurs with the theme: "**The Revolution of Possibilities**".

The Quantum and Information Technology Convention is one of the premier IT conventions in Northern Mindanao that aims to present the rapidly advancing trend in technology and the opportunities it brings. It is an annual event that will be attended by participants ranging from students to IT professionals from different schools and businesses all over the Philippines. The event presents guest speakers from various distinguished names from the IT industry that serves as a great opportunity to the participants to garner and be up to date with new information as well as in meeting the speakers in person.

In line with the event, we are writing to request your kind and generous assistance in **endorsing the QITC to educational institutions which provide courses that are related to Information Technology**. We, the QITC organizers, are also doing endorsements via word of mouth, online promotion, invitation letters to different schools and others.

We hope that you would consider our request for assistance. For your response or inquiries, you may contact **Ms. Kathleen G. Pacanut** at **0926-853-7123** or email us at **qitc2019@gmail.com**. Thank you very much and we are looking forward to your kind support towards our event.

+AMDG

Respectfully yours,

MARJORIE B. SUSADA
Chairman, QITC 12
