**SUBJECT :** **SUSTAINED IMPLEMENTATION OF RADYO ESKWELA  
 PROJECT AT DXBU 104.5 STATION OF BUKIDNON STATE  
 UNIVERSITY**

**DATE :** 11 November 2019

- 
- To provide more educational and learning opportunities for Alternative Learning System (ALS) learners to access quality education, **this Office hereby directs all the ALS Implementers to facilitate effective implementation and utilization of Radio-Based Instruction (RBI) Program especially the re-airing of forty (40) learning episodes of Radyo Eskwela at DXBU 104.5 Station of Bukidnon State University every Tuesday and Thursday at 3:00-3:30 in the afternoon and replay every Saturday at 4:00-5:00 in the afternoon.**

2. Attached is the letter from Maribel G. Valdez, Ph.D., Dean, College of Social Development and Technology (CSDT) for the schedule of airing of the 40 learning episodes.
3. Community Learning Centers having no radio sets available or those areas which can't be reached by the signal, it is highly recommended to implement RBI program using canned RBI lessons. Canned lessons are those that are recorded on CDs and cassette tapes and may be aired using radio cassettes or CD players.
4. Prior to the broadcast session, all learners must have provided with their Radio-Based Distance Learning Learner's Workbook and or specific activity sheets for the learning episode aired for them to accomplish after the broadcast for feedback and performance assessment.
5. School Heads and Public Schools District Supervisors (PSDS) are hereby advised to effectively monitor the implementation to both School-Based and Non-School-Based community learning centers and give appropriate feedback for further recommendation.
6. Queries related to this can be relied to **Jasmin J. Adriatico**, Education Program Supervisor In-charge of Alternative Learning System at 09177714505.
