Sir:

The Department of Education through the Bureau of Learner Support Services (BLSS) School Health Division implements several health and nutrition programs to promote and provide learners and DepEd personnel with a sustainable holistic school health program. These programs are spearheaded by the School Health Section personnel comprised of one (1) Dentist and seven (7) nurses.

To make health and wellness initiatives truly accessible to the clientele, may we humbly request of the services of the City Health Office Team to perform Annual Physical Examination of Division Teaching/Non-teaching personnel in Districts 1-10 for school year 2019-2020. This is in compliance with DM no. 22.s.2015 re: Annual Physical Examination DepEd Employees (Teaching and Non-Teaching personnel). Looking forward to your preferential attention to this request.

More power and Godbless.
