Dear Dr. Gazo,

Warm greetings!

For this Second Semester, Academic Year (AY) 2019-2020, there are 11 student teachers (STs) who will undergo practice teaching starting February 7 to March 27, 2020 (including Division orientation) in your Division. Currently, they are conducting an in-house training from January 20 - February 5, 2020 at the Central Mindanao University-Laboratory High School (CMULHS) in preparation for their off-campus internship.

In view hereof, may we humbly request that these student teachers will be allowed to have their off-campus teaching internship in their preferred school under your Division. May we also further request that they will be monitored by seasoned cooperating teachers in their major discipline to make them more equipped in terms of knowledge, skills, values, attitudes and learning experiences.

We are hoping for your kind approval on this matter that will contribute to their holistic growth and development as our future teachers in the Division. Attached is the list of student teachers for your reference.

In behalf of the Central Mindanao University and the College of Education administration and the Student Teaching Organization, thank you so much for the continued support and cooperation with our Teacher Education curriculum program, particularly the off-campus teaching internship.

Once again, DAGHANG SALAMAT and more power!

Very respectfully yours,

M. Orongan
MARIS JADE Q. ORONGAN
