Dear Dr. Gazo,

Greetings!

The U.P. Filipiniana Dance Group is the official folk dance group of the University of the Philippines-Diliman. It was established in 1935 by Francisca Reyes-Aquino, known as the mother of Philippine folk dance and the first National Artist for dance, and has since been directed by some of the best dance practitioners and teachers in the Philippines.

In its 84 years of existence, the group has successfully represented the university and the country in various national and international festivals and competitions in which it has received various performance awards and recognitions. Furthermore, UPFDG has been the training ground for numerous, prominent names in the Philippine dance industry and academe.

To date, we, the U.P. Filipiniana Dance Group continue this tradition of excellence through our mission of furthering and replenishing our Philippine cultural dance knowledge-base through research; cultivating, promoting and representing our folk and ethnic dances and rituals by participating in international festivals and by performing to an even larger audience in the university and across the country; and producing able, well-equipped and versatile dance artists through rigorous and effective cross-training in the newer dance forms.

In line with this, we are glad to announce that we will be having our **Annual Auditions on April 16, 17, and 18, 2020** at the **University of the Philippines, Diliman Campus**. And we are requesting your good office to help us disseminate this announcement and encourage all who are interested to come and join the auditions.

The audition is open to all eligible senior high school graduates, transferees, and all who are trained in dance. All interested and eligible applicants are required to register online through the group's official Facebook page at <http://www.facebook.com/UPFilipiniana> from March 1 to April 7, 2020. A confirmation e-mail will be sent containing specific details and an application form which must be fully accomplished, printed, then submitted in person during registration on the 1st day of auditions.

Transportation, accommodation, and other personal expenses will be shouldered by the applicant. The results of the audition will be announced at least one month after the audition date. It is advised that the applicants make the necessary arrangements in this regard.

The new members of the U.P. They are however expected to report immediately to training after the confirmation of their membership. Membership only guarantees admission to the university; no scholarship will be given through the VAAS program. If the government's program remains, the university will continue to be tuition-free. Otherwise, members can apply for grants from various scholarship programs in the university.
