DepEd MEMORANDUM
No. **034**, s. 2020

FIFTH SET OF POLICY DIRECTIVES OF DEPED TASK FORCE COVID-19

To: Undersecretaries
Assistant Secretaries
Minister, Basic, Higher and Technical Education, BARMM
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public and Private Elementary and Secondary School Heads
All Others Concerned

1. The Department of Education (DepEd) Task Force COVID-19 is issuing this fifth set of policy directives to reiterate and elaborate on previously issued measures for the guidance of DepEd officials, personnel and staff at the Central, Regional and Division Offices and schools nationwide, to **ensure heightened precautions** in light of the recent developments in the overall national situation. DepEd Task Force COVID-19 is **monitoring the situation closely and is ready** to make informed, coordinated, and proportionate response based on updated guidelines or advisory by the Inter-Agency Task Force on Emerging Infectious Diseases (IAFT-EID) headed by the Department of Health (DOH).

2. **The DOH has raised the COVID-19 Alert System to Code Red sublevel 1**, following the confirmation of local transmission in the country and in anticipation of possible community transmission. In a press release (Enclosure No. 1), the DOH clarifies that this is **"a preemptive call to ensure that national and local governments and public and private health care providers can prepare for possible increase in suspected and confirmed cases."** Under *Code Red sublevel 1*, responses being implemented include intensified contact tracing and home quarantine of close contacts of confirmed cases, improved hospital preparedness, enhanced Severe Acute Respiratory Illness surveillance, and activation of other laboratories outside of RITM to increase capacity to diagnose. DOH Secretary Francisco T. Duque III reminds everyone "to practice personal protective measures such as hand hygiene, social distancing, and proper cough etiquette. Avoid unnecessary travel and postpone mass gatherings, as well."

3. Based on the DOH Door 4 Response (Enclosure No. 2), *Code Red* is equivalent to Alert Level 4 that has been further categorized to *sublevel 1* (at least 1 local transmission) and *sublevel 2* (sustained community transmission beyond capacity). It is clarified that the "community level transmission" referred to in relevant provisions on DM 021, s. 2020 titled **Second Set of Policy Directives of the DepEd Task Force nCoV**, during which suspension of classes can be declared, pertains to a *Code Red sublevel 2* scenario.

4. The Presidential Spokesperson said in a statement (Enclosure No. 3) that "the Office of the President notes the recommendation of the DOH to declare a State of Public Health Emergency. The said proposal has been raised to the attention of the

President who has agreed to issue such declaration after considering all critical factors with the aim of safeguarding the health of the Filipino public.”

5. DepEd offices and schools shall ensure that **all DepEd personnel and learners who are known to have had close contacts with confirmed cases of COVID-19 shall undergo home quarantine**, strictly following prescribed guidelines by health authorities, including the necessary medical check-ups. DepEd personnel and learners who are also known to have had close contacts with those categorized by the DOH as “persons under investigation” shall also be closely monitored by their respective supervisors, advisers, or school heads.

6. The following guidelines on suspension of classes are reiterated for the guidance of all Regional Directors (RDs), Schools Division Superintendents (SDSs), and/or school heads:

- a. If one school has confirmed one positive case of COVID-19, the school head can declare the suspension of classes.
- b. If two or more schools in one city or municipality have confirmed a positive case of COVID-19, the SDSs can declare the suspension of classes in the affected schools and adjacent areas or, depending on the local situation, in the entire city or municipality.
- c. If there is community-level transmission in a city or municipality or several cities or municipalities, the SDSs can declare the suspension of classes in the affected cities/municipalities or, depending on the local situation, in the entire province.
- d. If there is a community-level transmission in two or more provinces, RDs can declare suspension of classes in the affected provinces or, depending on the local situation, in the entire region.
- e. **Confirmation of cases, as well as community-level transmission, shall only come from the DOH.**

7. Conduct of activities for the month of March shall be guided by the following:

- a. **All national activities** involving learners and/or teachers requiring travel and congregation of various schools, divisions, and/or regions, **except for the already ongoing National Schools Press Conference (NSPC) and the National Festival of Talents (NFOT), are suspended effective upon the issuance of this memorandum, and will remain so until further notice through an appropriate memorandum.**
- b. **All regional activities** involving learners and/or teachers requiring travel and congregation of various schools and/or division, including Regional Palaro (Regional Athletic Meets), **are suspended effective upon the issuance of this memorandum and until further notice.**
- c. All organizers of suspended national and regional activities are required to report suspended activities to the Disaster Risk Reduction and Management Service (DRRMS) through <http://bit.ly/depedsuspensionofactivities>.
- d. **All division and district activities** that involve the gathering/congregation of various schools in cities and municipalities where there have been DOH-confirmed local cases of COVID-19 are suspended effective upon

the issuance of this memorandum and until further notice. As of March 7, 2020, these are Taguig City and San Juan City, National Capital Region.

- e. **All division and district activities** that involve the gathering/congregation of various schools in all other cities and municipalities **are highly discouraged**. Organizers are advised to seek the recommendation of local health authorities should the activities push through. The applicable guidelines enumerated in *Item No. 7a* of this memorandum shall also be observed.
- f. **All off-campus activities as defined in DepEd Order No. 66, s. 2017 are suspended, effective immediately**, upon the issuance of this memorandum.
- g. Activities that involve congregation of learners within the school may proceed, provided that all personnel and learners exhibiting respiratory infections **must not attend**, and that the applicable guidelines enumerated in *Item No. 7a* of this memorandum are strictly observed. Personnel and learners exhibiting respiratory infections shall be referred to appropriate health personnel for proper evaluation and/or referral to a hospital if needed.
- h. The ongoing NSPC and NFOT must strictly adhere to the following guidelines:

 - v. Daily cleaning and disinfection of activity venues and participants' accommodations and ensuring the availability of hand sanitizers in strategic areas;
 - vi. Hygienic food handling practices during meal and snack break times, including ensuring that buffet is strictly assisted to limit the number of persons who will touch serving utensils, and practical measures such as discouraging talking in areas where food is served;
 - vii. Constant reminders of precautionary measures to participants in the course of the event;
 - viii. Daily monitoring by the delegation heads for any respiratory symptoms among members of their delegation, including the use of thermal scanners;

- ix. Protocol for isolation and coordinated management by a local medical team;
 - x. Removal of avoidable event components from the program, such as parades; and,
 - xi. Close coordination with local health and local government units.
8. All guidelines related to travel of DepEd personnel and learners, and the corresponding quarantine requirement, as enumerated in DM 031, s. 2020 remain.
- a. All official and personal travels to People's Republic of China and its Special Administrative Regions, and North Gyeongsang Province of South Korea, including Daegu City and Cheongdo County are temporarily banned.
 - b. Official travels of all DepEd personnel and learners previously approved by the Secretary for the month of March 2020 to countries identified to have confirmed cases of persons under investigation for COVID-19, as reported by the World Health Organization (WHO), are revoked. All DepEd personnel with approved personal travels to the same countries are highly advised not to proceed.
