The Senior EPS for Guidance and Counseling
DepEd Division of Malaybalay City

Dear Sir/Ma'am:

Greetings from GuidanceNGO!

GuidanceNGO, a non-government organization that advocates career education for 20 years, invites you to a Zoom meeting with the objective of orienting senior high school guidance officials on how they can conduct career and college fairs online. The orientation on conducting an online career and college fair, kahit work from home ka, is FREE OF CHARGE.

The orientation will take 60 minutes and will cover the following:

- how high schools can shift online in conducting career and college fairs;
- how students and their parents can derive the most benefit from this online event;
- how guidance officers can acquire new skills in effectively holding and monitoring an online career and college fair; and
- how you can help generate interest in careers such as those in agriculture, environmental science, and guidance and counseling, which may be unpopular but are badly needed by this country.

We look forward to a most productive Zoom meeting with your good office. We also hope that we can schedule this Zoom meeting any day from September 22 to 30, 2020 at your most convenient time. We look forward to your advice on the best time for you.

You can also e-mail us at guidancengo@ph.org, text or call us at 0949 358 5392 (SMART) or 0906 315 6331 (GLOBE), or call us at any of these numbers: (02) 8253 4057, (02) 8288 6265, (02) 8376 5990.
