## JHS - SME - School Readiness Survey

The Bureau of Learning Resources (BLR) (Cebu) partake with the challenges faced by the Department and the country especially in the continuity of the teaching-learning process amidst the onset of the Covid-19 Pandemic.

Education should be sustainable and flexible over all times like the Learning should continue and be nurtured in order for our learners to prosper. However, there is a niche with this "New Normal" not only in the society but most especially in the sense of educating minds. While every study is busy providing materials and other alternative modes of learning styles are being improvised whereas learning emerge due to our genetics, life experiences and the demands of our current environment (Cherry, 2017). Though COVID-19 Pandemic limit our physical room, virtual learning would always be suitable and adaptable to the styles of the learners so learning would take place

BLR Cebu provide Learning Tools and Equipment (LTE) to Public Elementary, Junior and Senior High Schools. This is to aid teachers and learners in grasping learning competencies embodied in the K to 12 Curriculum. Also to allow variation and differentiation in the learning experience of the learners in preparation for the coming school year. Now batch of LTE is delivered to public Junior High Schools (Grades 7 to 10) and Senior High Schools (Grades 11 to 12). Thus, the BLR RVF is made to ensure that schools are prepared to accept and utilize the LTE in the "New Normal" brought about by the pandemic.

It is expected that the school head will fill out the survey with the updated information. However, one may delegate it to other school personnel but he/she remains the accountable and responsible officer for the veracity of the data submitted.

## SHS - TVL - SCHOOL READINESS SURVEY - INDUSTRIAL ARTS (IA)

The Bureau of Learning Resources (BLR) Office of the Schools Division Office - Marikina City, in cooperation with the Department and the industry, has developed this survey to assess the readiness of schools in the region in relation to the LTF of the Department.

Education is a dynamic, ever-changing and flexible environment. It is a continuous process that is constantly evolving in order for our learners to prosper in the ever-changing world. The New Normal is not only in the spheres of our lives but also in the spheres of education. The COVID-19 pandemic has disrupted learning modules and other materials. Learning materials are being compromised whereas learning environment is being provided. The disruption of the delivery of our learning environment (Cherry, 2021). Through LTF of the Department, the readiness of schools in adjusting learning should always be evaluated and monitored. In this regard, the Department is committed to take action.

BLR Cebo provides Learning Tools and Equipment (LTF) to the Elementary, Junior and Senior High Schools. This is to our teachers and learners in proper training and practice embodied in the K to 12 Curriculum. Also, to allow variety and differentiation in the learning experiences of the learners in preparation for the upcoming school year. New Division Office is also due to Public Junior High Schools (grades 7 to 10) and Senior High Schools (Grades 11 to 12). Thus, the SURVEY is made to ensure that schools are properly prepared and utilize the LTF in the New Normal brought about by the pandemic.

It is expected that the school head shall fill out the survey with the updated information, however, she may delegate it to other school official but he/she remains the accountable and responsible officer for the veracity of the data submitted.

## SHS-TVL - SCHOOL READINESS SURVEY - AGRI - FISHERY ARTS (AFA)

The Bureau of Learning Resources (BLR) of the Department of Education (DepEd) Division Office (DIO) - Cebu, in collaboration with the Division Office (DO) - Cebu, has developed the School Readiness Survey (SRS) to assess the preparedness of the schools in the Division Office (DIO) - Cebu.

Education should be sustainable and flexible over its time, extent, content, and structure. It should be nurtured in order for the learners to be able to thrive with the 21st-century skills. Not only is the subject content a specialty in the field, it should also be relevant to the learners' needs, preparing modules and other alternative materials that are relevant to the current environment (Cherry, 2020). Although it is a challenge, learning should always be suitable and adaptable to the situation that learners will have to take part in.

BLR-Cebu provides Learning Tools and Equipment (LTE) to Public Elementary, Junior and Senior High Schools. This is to aid teachers and learners in the development of competencies encoded in the K-12 Curriculum. Also, to allow the schools to have a better idea on the learning experiences of the learners in preparation for the coming school year. A total of 1,000 LTE is delivered to Public Junior High Schools (Grades 7 to 10), and Senior High Schools (Grades 11 to 12). Thus, this SURVLY is made to ensure that schools are prepared to accept and utilize the LTE in the "New Normal" brought about by the pandemic.

It is expected that the school head shall fill out the survey with the required information, however, she may delegate it to other school personnel but he/she remains the accountable and responsible officer for the veracity of the data submitted.
