Dear Ma'am/Sir:

Greetings!

The UP Agricultural Economics Circle (UPAEC) is a recognized academic organization based at the Department of Agricultural and Applied Economics, College of Economics and Management, University of the Philippines Los Baños, which aims to promote agricultural and applied economics as a field of study and as a career. It is also a member-organization of the Junior Philippine Economics Society (JPES).

This year, in accordance with our purpose-driven objectives as an academic organization, we will be conducting a scholastic competition for junior and senior high school students. **AgriKonomiya 2021** is a month-long event composed of four (4) different competitions and one (1) webinar. With the theme "**On the Rise: Economic Resurgence through Agriculture**", students from different schools all over the Philippines will compete with each other in an essay writing competition, a spoken word poetry competition, a poster-making competition, and lastly, an agricultural resolutions pitch competition. The official start of the event will be on **March 1 until March 27, 2021**.

In this regard, we are humbly asking for your school's participation in our event. Each school must be represented by **at least 3 students** who will participate in their chosen competition. The event is free for all junior and senior high school students, and **no registration fee** is needed. The deadline for registration will be on **March 10, 2021**. Attached herewith are the details and program of the competition for your perusal.

Should you have any queries, please feel free to contact **Deniel Fombuena**, at **0906 316 2290** or email us at [agrikonomiya.upaec@gmail.com](mailto:agrikonomiya.upaec@gmail.com). Thank you very much and we are hoping for your kind consideration.
