REGIONAL MEMORANDUM

No. 101, s. 2021

**IMPLEMENTATION OF CURRICULUM MANAGEMENT SUPPORT SYSTEM
IN LIGHT OF THE BASIC EDUCATION LEARNING CONTINUITY PLAN**

To: Schools Division Superintendents
All Others Concerned

1. Regarding DepEd Order No. 31, s. 2020 on the **Interim Policy Guidelines for Assessment and Grading in Light of the Basic Education Learning Continuity Plan**, schools must adopt assessment and grading practices that can most meaningfully support student development and respond to varied contexts at this time.
2. With the continuing threats of the COVID-19 pandemic and the unprecedented challenges to education, teachers and parents must adapt to alternative learning modalities to ensure that learners achieve essential curricular goals.
3. Hence, the Regional Office (RO), through the Curriculum Learning and Management Division (CLMD), initiated the **Curriculum Management Support System (CMSS)**. CMSS is an online monitoring of schools' compliance with DO 31, s. 2020 and of the learners' performance per quarter for all the learning areas from Kindergarten to Senior High School.
4. As provided in DO 8, s. 2015, assessment should be used to inform and improve classroom practices and promote learning outcomes. In distance or blended learning environments like what are implemented during this pandemic, schools should utilize alternative tools and strategies for effective assessment, appropriate learning support, and timely feedback.
