GRAND REGIONAL MEMBERSHIP BOUNCE UP AND PASASALAMAT RAFFLE

RATIONALE:

Membership is the life blood of GSP. Program and Training opportunities are offered to develop and serve the members. This is also the main support in the operational needs of councils up to the National Level.

The global health crisis greatly affected the membership count especially that schools are using modular system of learning.

Various initiatives are made and planned out to keep Girl Scouting Spirit still active despite challenging time.

To better reach the members to continue their membership, this online system will be conducted in every council. Thereby, continuing the huge and genuine sisterhood within the country and across the world.
