### INVITATION

Warm Lasallian Greetings! I hope this letter finds you very well.

We are Grade 12 Humanities and Social Sciences from De La Salle University Senior High School - Manila Campus. In partial fulfillment of our requirements in our Christian Living subject, we will be holding a webinar entitled "*Adhikang Diwa: Ang Responsibilidad at Pagmamahal Para sa Bayan*", on May 21, 2021. This is a project in collaboration with Center for Youth Advocacy and Networking (CYAN) and De La Salle University's Center for Social Concern and Action (COSCA).

At this *Adhikang Diwa*, we will be conducting a live online webinar with the youth in order to bring awareness towards voter education. Considering our country's current situation and with the coming elections in 2022, the youth's importance of voicing their opinions through voting becomes more evident as this event aims to open the minds of the youth further and inform them regarding their responsibilities as a part of the democratic state.

Further, as mandated in the 1987 Constitution of the Republic of the Philippines, voter education is a primordial topic that must be taught to the youth together with the help of the Department of Education. The election of our leaders are consistent with our right to suffrage, thus, recognizing the indispensable role of elections in a working and functioning democracy.

Our class would like to most earnestly request for the participation of the junior and senior high school students of your institution. We likewise suggest for this event to be treated as an extracurricular activity for their Araling Panlipunan/Social Studies class. Registration will be free of charge with no requirements needed. Moreover, we will be issuing Certificates of Participation for the student-participants as well as a Certificate of Recognition for the school. We highly propose that your Grades 9-12 students participate in this webinar.
