DR. VICTORIA V. GAZO
Schools Division Superintendent
DepEd Schools Division of Malaybalay City
Malaybalay City

Dear Ma'am:

Greetings from ETCOR Educational Research Center!

Staying true to its mission to help researchers love and embrace the culture of research and responding to the challenge that education must continue despite the presence and threat of the COVID-19 pandemic, ETCOR Educational Research Center located in Sta. Ana, Pampanga, Philippines has launched two projects namely: (1) **"Project SAGIP MANANALIKSIK (For Everyone)"**, and (2) **"Project SAGIP MANANALIKSIK (One-on-One)"**. The details of the said projects are as follow:

1. "Project SAGIP MANANALIKSIK (For Everyone)"

Under the "Project SAGIP MANANALIKSIK (For Everyone)", ETCOR's research consultants who are composed of various research experts from the different parts of the country and are immersed in the conduct and teaching of research from various levels (basic education and higher education institutions) are serving as volunteer speakers/lecturers/moderators in a series of **FREE webinars** on quantitative and qualitative research which are open for both students and teachers/professionals.

This project is an acknowledgement of the fact that DepEd needs partners from the private sectors or private groups that share the same mission and aspirations for the Filipino learners to have quality, relevant and accessible education even in the time of pandemic. The series of webinars under this project are in support and an augmentation to DepEd's different learning delivery modalities.

The series of webinars are being delivered via online platforms with public and private school students and teachers-audience coming from the different parts of the country. The webinars' video recordings are also uploaded in ETCOR's YouTube channel and Facebook Page to accommodate those audience who will not be able to attend the webinars.

2. "Project SAGIP MANANALIKSIK (One-on-One)"

Under the "Project SAGIP MANANALIKSIK (One-on-One)", ETCOR's research consultants and other research enthusiasts and benefactors are individually adopting one Senior High School (SHS) learner from ETCOR's list of student-beneficiaries and from which the former are expected to assist the latter **FOR FREE** in their SHS research

journey either via coaching and/or provision of financial aid to help them in their expenses related to research. ETCOR has set requirements for students who would like to apply as student-beneficiaries under the said project.

This project is an acknowledgement of the fact that research should not only teach people to be intellectual persons, but should develop in them the value of extending their assistance – no matter how little that might be – for other people especially during this time of uncertainty.

Subject to your quality assurance and evaluation, the video-lectures in the previous research webinars can be watched **FOR FREE** by your students and teachers through ETCOR's YouTube channel with link <https://www.youtube.com/channel/UCdazFM98FXedPKEvKKIWENA>. If they will encounter some problems in accessing it through the said link, they may just go directly to YouTube and search for the word "ETCOR" and the Channel and its videos will surely appear. With these video-lectures, we are confident that we will be able to help your students and teachers in their Journey to fully embrace the culture of research.

For more information and updates, your students and teachers may also follow us through the following platforms:

Facebook:

<http://www.facebook.com/EmbracingTheCultureOfResearch/>

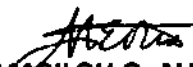

Twitter:

http://twitter.com/ETCOR_research

For more information and/or clarifications regarding this communication, you may reach us through our mobile number 0939-202-9035 and/or our e-mail address embracingthecultureofresearch@gmail.com.

Thank you so much and More Power!

One with you in embracing the culture of research,

EnP. MARILOU O. ALUNDAY, MA, DBA©
OIC-Coordinator for Region X
