- 1. The Department of Education (DepEd) announces the adoption of the four new sets of DepEd national uniform designs for teaching and two new national uniform designs for non-teaching personnel starting the transition period of the School Year (SY) 2021-2022. The Executive Committee has set the guidelines based on the recommendation of the DepEd Uniform Committee (DUC) composed of teaching and non-teaching employee organizations with the following considerations:
 - a. General availability of the textile materials in the market;
 - b. Comfort and durability of the textile materials;
 (The quality of the fabric should be adaptable to the weather conditions and the environment of concerned personnel.)
 - c. Over-all look of the design of the uniform; and (The design should be presentable, convey modesty and integrity, and should be in its simplest form to allow unrestricted movement.)
 - d. Skin tone, age, body built will also be considered in the design.
- 2. In consideration with the current crisis brought about by the COVID-19 pandemic, and the continuing implementation of the blended learning delivery and alternative working arrangements in the Department, SY 2021-2022 shall be considered a "transition period" to allow ample time for employees to prepare and purchase new set of prescribed uniforms. To facilitate the transition period, employees can still wear their old uniforms this coming SY 2021-2022. But starting SY 2022-2023, all teaching and non-teaching personnel shall wear the prescribed new set of uniforms.
