REGIONAL MEMORANDUM
No. 206, s. 2021

**INTENSIFYING QUALITY ASSURANCE OF REGION-LED
SELF-LEARNING MODULES FOR QUARTERS 1 TO 4
FOR SCHOOL YEAR 2021-2022**

To: Schools Division Superintendents
Assistant Schools Division Superintendents
Divisional Education Supervisors
Elementary and Secondary School Heads
All Others Concerned

1. To help strengthen the Region's preparations for School Year 2021-2022, the assigned Schools Division Offices (SDOs) are directed to conduct further review and evaluation of the Region-led Self-Learning Modules (SLMs) to ensure that the learning modules relevant, gender- and culture-sensitive, and age-appropriate.

2. Due to constraints in resources, it is also highly recommended that the modules be designed in a way that the learners are able to finish the activities within the allotted time and, consequently, allow easier distribution and retrieval of the SLMs.

3. For purposes of security, all materials for evaluation shall bear a watermark on the pages: "FOR EVALUATION." If the material is already deemed ready for printing, it shall bear a filename with the following format: learning area with grade level_module number_lesson title_version number. Since this is already the 5th revision, it will be of v5:

Example: science8_q1_mod1_natureofbiology_v5

4. Ready-to-print modules shall bear a watermark "READY TO PRINT" and stored as DOC and PDF files.

5. Evaluation will be headed by the learning area supervisors who will also be tasked to collect the evaluated and edited modules, together with the findings regarding content, language, and layout. All these will then be submitted to the divisional learning resources supervisors for uploading in the regional drive.

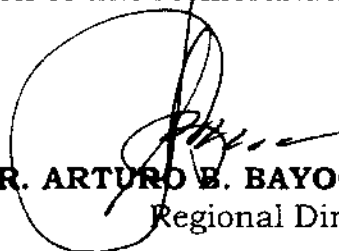

6. The divisional LRMs shall create a drive for field distribution for School Year 2021-2022, bearing the version 5 modules; previous versions of the SLMs should be made inaccessible. The divisional LRs shall take necessary precautions that materials be secured especially those that will undergo evaluation processes.

7. The timeline for submission is as follows:

	Deadline for Evaluation	Deadline for Uploading in the Drive	Divisional Harvesting of SLMs
QUARTER 1	May 28	June 4	June 11
QUARTER 2	June 11	June 18	June 25
QUARTER 3	June 25	July 2	July 9
QUARTER 4	July 9	July 16	July 23

8. National issuances and all other documents related to this memorandum are accessible at <http://bit.ly/RXLRMDS>.

9. Immediate and wide dissemination of this Memorandum is desired.
