Dear Family of Peace,

Greetings of Peace and Harmony.

IWPG is implementing the "Plant Peace" project around the world to cease global war and to realize world peace for the future generations.

As part of this project, the **International Loving-Peace Art Competition** is an art contest to spread a culture of peace.

It will plant seeds of peace within the hearts of children so that they can grow with the heart of peace.

This year's third preliminary round will be an opportunity for children who have been struggling due to COVID-19 to heal

and to freely express peace that is within to their heart's content. It will be a platform for coexistence and communication.

We would like to invite you and your students to participate in this Competition via offline and online.

Through this art they can open their heart and we can know the perception of our students regarding peace.

We can spread peace through arts. We request for your cooperation so that many children and youth can participate in the contest. The preliminary round will be held in Philippines and the Final round will be held in Seoul, Korea this July 2021.

We are looking forward to your positive response.

Please visit if you have time:
