Subject: **SKILLS MAPPING AND PROFILING OF POTENTIAL DIVISION POOL OF E-BOOK DEVELOPERS FOR THE DEVELOPMENT OF GRADE 3 E-MODULES VERSION 5.0**

Date: July 07, 2021

1.   In line with the Implementing Rules and Guidelines of Republic Act 10533, the Basic Education Act of 2013, specifically Rule II Curriculum Section 10, 10.3 re: Production and Development of Materials, the Learning Resources Management Section under Curriculum Implementation Division will conduct Skills Mapping and Profiling of Potential Division Pool of E-book Developers on July 7-13 2021.

2.   To ensure that the Division can provide complete e-modules instead of printed modules to the learners, this activity aims to: (a) identify potential e-book developers, (b) orient potential e-book developers on Kotobee Author, and (c) produce Grade 3 e-modules version 5.0 using Kotobee Author.

3.   The potential e-book developer shall meet the following qualifications:
        a. must be a bona fide elementary or secondary school teacher;
        b. must possess basic computer skills. Having a knowledge of Kotobee Author is a priority, but without this, a teacher can still join; and

c. must be willing to render service beyond official time or during vacation (with service credits)

4.   Teachers who are willing to be an e-book developer may register through this link **https://tinyurl.com/MCebookdvlprs** on or before July 13, 2021. The first sixty-four (64) registrants will be included in the orientation whose names will be mentioned in a separate memorandum to be posted later.

5.   The sixty-four e-book developers shall receive a certificate from the Division/Regional Office. The outputs of the teachers shall be uploaded in the Art-Ten Site, the official site of Region 10 for Self-Learning Modules.

6.   Should there be queries, contact Purisima J. Yap - EPS-LRMDS at 09364882591.
