SUBJECT : "PALIMANI SA MGA MAGNANAU" PROGRAM – AN ENHANCED IMPLEMENTATION OF RADIO-BASED INSTRUCTION (RBI) FOR SY 2021-2022

1. To ensure delivery of quality basic education amidst pandemic and to address the pressing need of the learners to achieve better performance while undergoing blended distance learning, this Office hereby conceptualized a strategy tagged as "*Palimani sa mga Magnanau*" as an enhanced implementation of Radio-based Instruction for School Year 2021-2022. This is a strategy of which the provided Self-Learning Module (SLM) Version 5 to the learners shall be accompanied with a Teacher's discussion and facilitation of learning through radio broadcast and via livestreaming for those with transistor radio or internet connection/mobile data at home. For those learners who can't access from any of these, canned materials shall be provided. Its aim is to address the learning gaps brought about by the limited interaction between the teacher and the learners as regards to the presentation of the lesson. With this, the learners and their parents may have ease in understanding and performing the activities required in the SLMs. Thus, better performance can be observed and achieved.

2. The said intervention is for Kindergarten and Grades 1 – 10 only. Its live broadcast shall commence on the second quarter of the school year. For the first quarter, the live airing shall be every Friday of the week from 10: 00a.m to 3: 00p.m which will start on **September 24, 2021** – Friday, at the radio station to be announced later. The first quarter radio broadcast shall focus on Beginning and Developing Reading for both English and Filipino tagged as "*Alas Basa Na!*" Program. The intervention is purposely designed for those learners enrolled in kindergarten and identified learners with reading needs /academically challenged in Grades 1, 2 and 3 levels.
