## **GUIDELINES ON THE GRANT OF SPECIAL HARDSHIP ALLOWANCE FOR PUBLIC SCHOOL TEACHERS**

### **I. RATIONALE**

The Department of Education (DepEd) recognizes that in order to make education more accessible to all, it is necessary to recruit, retain, and encourage personnel to work in hard-to-reach, far-flung stations as well as those with more challenging working conditions. The grant of incentive pay to such teachers, particularly a Special Hardship Allowance (SHA), is supportive of this cause.

Pursuant to *Section 19 of Republic Act No. 4670*, otherwise known as the Magna Carta for Public School Teachers, DepEd has been providing SHA as additional compensation to teachers who are *"exposed to hardship such as difficulty in commuting to the place of work or other hazards peculiar to the place of employment, as determined by the Secretary."* Consequently, the Department of Budget and Management (DBM) issued the National Budget Circular (NBC) No. 514, s. 2007 to operationalize the provision of SHA.

While these policies provided guidance in the payment of SHA, implementation challenges surfaced during field monitoring. The concerns primarily centered on the need to come up with a more objective method of identifying recipients and streamlining the long process of availment. These changes are essential to rectify varying interpretations of the NBC 514.

The United Nations Children's Fund (UNICEF) together with DepEd, conducted a study on the provision of SHA: from the identification of recipients to the actual payment of allowance. The study revealed that the current decentralized processing of the SHA leads to variation in the interpretation of the guidelines resulting in different computations, particularly in the absence of a standardized tool for calculating the individual SHA per teacher.

The study also uncovered other major hardship factors contributing to the difficulty of situation in schools, aside from transport inaccessibility stipulated in NBC 514. The most significant of these factors are: time and cost of transportation from school to Schools Division Office (SDO), human violence, availability of temporary learning spaces, level of poverty, and availability of basic amenities and services, such as telecommunication, water, and electricity.

Thus, these guidelines are issued to ensure a streamlined, more objective, and efficient process of SHA payment to qualified teachers.

### **II. SCOPE**

This DepEd Order defines the roles and responsibilities of the Central Office (CO), Regional Office (RO), and Schools Division Office (SDO) for the provision of SHA to qualified personnel.

### **III. DEFINITION OF TERMS**

The closer the value of the index to 1, the higher the degree of difficulty of the school situation.<sup>4</sup>

#### **V. GENERAL GUIDELINES AND OTHER ELIGIBILITY CONDITIONS**

1. The following public school teachers are eligible for the provision of Special Hardship Allowance (SHA):
  - a. All teachers in elementary and secondary schools in hardship post as determined by the hardship index;
  - b. Multi-grade teachers in pure multi-grade schools;

  - d. School heads assigned in hardship post or pure multi-grade schools.

The qualified teachers may either be resident or transient, having permanent or provisional or substitute or temporary appointment.

2. All qualified recipients shall receive the SHA amounting to twenty-five percent (25%) of their monthly salary for a period of ten (10) months for every fiscal year, which shall be released on a quarterly basis.
3. For qualified personnel who meet more than one (1) criterion (e.g. a pure MG school is also categorized as a hardship post) the MG teacher shall receive SHA on only one criterion.

4. The SHA shall be withdrawn if:

- d. The mobile teacher or DALSC is no longer handling ALS classes.

## **VI. PROCEDURES**

### **1. Identification of Schools as Hardship Posts**

- a. The method for deriving the Hardship Index was through a multivariate regression analysis, wherein the link between school characteristics and the proportion of experienced teachers in a school was analyzed. The variables included are as follows:
  - Travel time to SDO;
  - Travel cost to SDO;
  - Poverty Incidence of Municipality;
  - Occurrence of Violent Acts within the school and immediate surroundings;
  - Access to electricity;
  - Access to water supply;
  - Access to internet connection; and
  - Existence of Temporary Learning Spaces
- b. In calculating the HI of all public schools, the data on the identified eight (8) variables shall be sourced from the enhanced Basic Education Information System (BEIS) and other relevant data and information sources that are available or may be developed, such as the Philippine Statistics Authority's multi-dimensional poverty index.
- c. The Bureau of Human Resource and Organizational Development (BHROD) – School Effectiveness Division (SED) shall compute for the HI of all schools every three (3) years.
- d. Under the hardship post category, teachers in schools with an HI level equal to or greater than the set HI cut-off level will be eligible to receive the SHA. Said HI cut-off level shall be effective for three (3) years.
- e. Starting FY 2021, teachers assigned in schools with HI of 0.37 and above shall be eligible to receive SHA. Attached as Annex A is the list of hardship posts with the corresponding HI.

### **2. Computation of the SHA**

- a. Eligible DepEd personnel shall be provided with SHA equivalent to twenty-five percent (25%) of their monthly basic salary, computation of which shall be reckoned from the first day of their assignment to hardship post/MG

schools. The formula for the computation of SHA shall be in accordance with Section 5.5 of DBM-DepEd JC.

- b. The individual SHA amount shall depend on the qualified personnel's salary grade level and corresponding step increment as well as the number of actual days the personnel is physically present in the school / learning center. The Daily Time Record (DTR) or any attendance and monitoring form, as prescribed by applicable policies, approved by the Head of Office shall serve as basis for the attendance of the personnel.
- c. A cluster school head handling two or more hardship posts/pure MG schools shall be qualified to receive SHA in proportion to the actual number of days he/she is present in those schools. In no case shall the cluster school head be granted SHA more than the rate as computed in Section 5.5 of the DBM-DepEd JC.
