SUBJECT : **INVITATION TO THE FIRST ANNUAL YOUNG PRIVACY
ADVOCATES SUMMIT ON NOVEMBER 25, 2021 VIA
MICROSOFT LIVE**

DATE : November 16, 2021

In celebration of the National Children's Month, the National Privacy Commission (NPC) and the Department of Education (DepEd), through the Office of the DepEd Data Protection Officer, would like to invite DepEd public and private school students, teachers, and parents to the **First Annual Young Privacy Advocates Summit** with the theme "**Kabataang Digital: Matalino, Mapagmatyag, at Mapanuri,**" on **November 25, 2021, from 8:00 a.m. to 4:00 p.m. via Microsoft Live.**

This event will serve as the official launch of Kabataang Digital – an annual summit that will bring together children and youth, teachers, and parents to raise awareness about online safety; introduce initiatives of the Kabataang Digital campaign, as well as similar campaigns by other partner organizations; and provide basic knowledge and information about safer and age-appropriate internet and technology use.

Since its official launch last year, the NPC has worked to promote a safe online environment for the youth through its advocacy campaign, **Kabataang Digital**

(KD). Under this campaign, the NPC requested to partner with DepEd to continue encouraging data protection for children by enjoining school officials and parents to educate their children on appropriate digital citizenship, promote safe choices, and elaborate on the implications of the digital environment for children's privacy rights.

The Summit will be attended by those who have registered on the online platform as well as those who are watching via livestream. The intended participants are as follows:

- a. The morning session (8:00 to 11:05 a.m.) is meant for Kids (Grades 1 to 6 Pupils), their Parents, and Elementary Teachers
- b. The afternoon session (1:00 to 4:00 p.m.) is meant for teens (Junior High School and Senior High School Students), Parents, and Teachers.

Participants may now pre-register at <https://forms.office.com/r/NGJ8KZSRvs>.

Please find a copy of the Program attached for reference.
