SUBJECT : **CONTENT FOR DEPED HISTORY CHANNEL**

With over 18 million viewership, the award-winning DepEd TV has aided the Department of Education in its mission of learning continuity amidst the global pandemic. Now, in its continuous efforts in ensuring the adequacy of mediums to help its learners with distance learning, DepEd TV will soon expand its reach through the creation of its very own historical channel.

To be called the DepEd TV History Channel, the project will feature existing historical films and documentaries that will help its viewers realize the vibrant history of our country and the importance of heritage in shaping our future.

In this line, we respectfully seek your help in the collation of locally-produced historical or history-related movies, short films, and documentaries that reflect this advocacy. The films may be projects from classroom discussions, learning aids, or personal projects produced by students or teaching and non-teaching personnel in your schools.

The submitted productions will undergo an intensive review by the DepEd TV team to ensure their quality and relevance. It must also be noted that the full consent of the productions' owners must be proven before its submission for screening.
