Warmest greetings!

**UP Geological Society**, an academic organization based in the National Institute of Geological Sciences (NIGS) has been conducting the annual **National Geology Congress (NGC)** and will now be in its ninth year. In order to continue upholding the importance of earth sciences and geology in the academe and in our lives, the 9th NGC will shift towards a completely online setup. It will be conducted **via Zoom on April 2, 8, and 23, 2022**. All events are **free of charge**.

With this, we are humbly inviting the students and teachers of your educational institution to participate in the 9th NGC. Further details about the event are provided in the letter attached herewith.

Should you be interested in participating in any of the events, you may register through the following links:

- **Earth Science Teachers' Webinar (ESTW):** <https://tinyurl.com/9thESTW>
- **Highschool Students' Webinar (HSW):** <https://tinyurl.com/NGCHSW2022>
