VICTORIA V. GATO, Ph.D. CEO V
DEPARTMENT OF EDUCATION
MALAYBALAY CITY DIVISION

DEAR DR. GATO :

The City Government of Malaybalay will join the international community in the celebration of the Earth Day 2022. With the theme, "Invest in our Planet", the City Government through the City Disaster Risk Reduction Management Office (CDRRMO) in partnership with the City Environment and Natural Resources Office (City ENRO) will spearhead a Clean-Up Drive along the Caul-Mansikol Creek and a portion of the Kalawaig Creek on April 22, 2022 (Friday).

The activity will serve as a launching of a bigger program/endeavor that aims to rehabilitate our water resources within the city. It is also part of the strategies of the City Government of Malaybalay in raising awareness about the loss of biodiversity and depleting quality of the environment, particularly our water resources. In addition, it serves as a concrete step in incorporating environmental concerns in all the city's programs, activities and policies.

In relation, we are humbly inviting you and your office/organization/institution/company to join the activity by sending participants for the clean-up activity. The CDRRMO and the City ENRO will be assigning personnel that will assist you for the needed preparations including your area of assignment.

Participants are required to be at the Capitol Ground at exactly 6:00 in the morning for the launching program. Assigned team leaders/personnel will coordinate you for the details of the activity.

Thank you for your usual support.

Very truly yours,

BY AUTHORITY OF THE CITY MAYOR
ATTY. JAY WARREN R. PABILLARAN
