Dear Director Bayocot:

Greetings!

The pandemic has brought us many changes and adjustments to what we have usually done. These trying times had affected not only working individuals but also our students as well. And since we are now ready to face the new normal, we are happy to hear that sooner or later the students' classes will gradually resume into regular face-to-face meetings.

In line with this, we are pleased to inform you that the Philippine Red Cross – Cagayan de Oro Molecular Laboratory is now accepting PhilHealth charging of RT-PCR swab test to the following:

1. Teachers at all levels of education, and
2. Other school front-liners such as guidance counselors, librarians, cashiers.

The above-mentioned personnel may be tested every two weeks. To avail of this, we would require a Letter of Intent from your office with the attached list of names with corresponding PhilHealth numbers and line of work of the endorsed individuals. Kindly address your letter to **SEN. RICHARD J. GORDON**, Chairman and CEO of Philippine Red Cross, thru **NANCY JOY A. TOLINERO**, Chapter Administrator of Philippine Red Cross Misamis Oriental-Cagayan de Oro Chapter.

The principal may email the letter to misamis.oriental@redcross.org.ph ten (10) days before the target date of swabbing. The endorsed personnel are required to get the Premier Silver Membership of the Philippine Red Cross worth Pp300.00 during the first RT-PCR swab test, and doctor's consent fee of Pp200.00 for the succeeding tests. For clarifications and further details, please contact Ms. Ellen M. Naelga, (088) 856-8855 and 0917-371-3486.

Thank you for being our partner in our humanitarian endeavors.

Respectfully yours,
