**VICTORIA V. GAZO, PhD, CESO V**

Schools Division Superintendent of Malaybalay  
Casisang, Malaybalay city  
Province of Bukidnon

Dear Ma'am **Gazo**,

Greetings from ChildFund and Kaanib!

ChildFund Philippines in partnership with Kaanib Foundation, Inc. have been implementing the BuildCA2P project funded by the U.S. Department of Labor (USDOL) in the province of Bukidnon since 2019. The project strives to address the significant challenges faced by the children engaged in child labor and their families in the agricultural supply chains of corn, rice, coconut, and banana.

At this stage of project implementation, BuildCA2P project focuses on providing education for the children engaged in child labor and livelihood opportunities for their families. Also, we will sustain the capacity enhancement to our partner LGUs (municipal/city and barangay) to strengthen existing local council for the protection of children (LCPC) and referral/reporting mechanisms to protect children and address child labor.

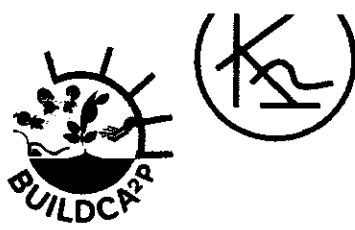

One of the approaches we do to create a community where children achieve their potential is by partnering with schools to promote and strengthen educational programs to help uplift the learning ability of the students. As part of our project activities, ChildFund and Kaanib will conduct a Turn Over Ceremony of School Equipment and Learning Materials to BuildCA2P Partner Schools in barangay Mapulo and Silae, Malaybalay on **August 3, 2022. The program will start at 9:00 am to 11:30 am to be held at Barangay Silae covered court.**

In line with this, we would like to invite **the principals and child protection focal person** of the partner schools listed below to attend the turn over ceremony:

1. Silae National High School
2. Silae Elementary School
3. Kibalabag Elementary School
4. Pighalugan Elementary School
5. Mapulo Elementary School
6. Tuburan Integrated School
