To Dr. Arturo B. Bayocot
Regional Director
DepEd Region X
Masterson Avenue, Zone 1,
Upper Bulalang Cagayan de Oro City

Good day, Sir.

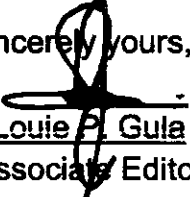

I am Louie Petere Gula, an Associate Editor of the research journal "Universal Journal of Educational Research". Universal Journal of Educational Research (UJER) is an international peer-reviewed journal publication supervised by Saint Joseph College, Maasin City, Southern Leyte, Philippines. It aims to publish research produced for the field of education. Established in 2022, the UJER seeks to contribute valuable output to the body of knowledge. The journal welcomes original and review research internationally. UJER publishes original articles every end of March, June, October, and December quarterly, FREE OF CHARGE. The following ISSN licenses were obtained in the year 2022: **ISSN: 2960-3714 (Print) ISSN: 2960-3722 (Online)**

As we envisioned the upcoming years, we can see that research productivity will be striving to emerge in the intellectual body of education discipline. And so, we are now calling for papers in preparation for the publication of the volume 01 Issue 02. Thus, in behalf of the editorial team, we would like to humbly ask your good office to endorse this concern or in any form of endorsement that you can provide.

This research journal as mentioned above, does not charge any form of article publication fees. As this journal develops, we are open on forging partnerships or in any form of collaborations that would uplift the research readiness and literacy of the DepEd teachers. For further information of the research journal, here is the link of the page <https://www.ujer.org/home>.
