SUBJECT: "INVITATION TO ATTEND TO AN ONLINE WORKSHOP FOR BREACH RESPONSE AND CYBER SECURITY"

Dear Sir/Madam,

Greetings!

Yisrael Solutions and Training Center Inc is committed for the welfare of the country and the people. In line with the recent pandemic or the spread of COVID 19, the conduct of training classes or seminars/workshops all over the country had been temporarily postponed indefinitely until further notice to ensure the security, health, and safety of our countrymen. However, we have decided to continue our operations with virtual classrooms and remote work through the use of digital communication technology.

As an alternative option for face-to-face, we would like to offer you our online workshop, the online equivalent of being in a training room and learning together as a group through collaborative activities which will be conducted over the internet.

Cyber security awareness training is essential to reduce the risk that employees are exposed and tricked by sophisticated phishing or social engineering methods into serving unknowingly as entry points or worst, breach incidents that can affect organization information and data systems. This training could also help the company/agency to respond to a security breach and comply with the necessary notification requirements under the Philippine Data Privacy Act.

The primary objective of the security awareness program is to educate users on their responsibility to help protect the confidentiality, availability, and integrity of their organization's information and information assets. The participants will be able to know state-of-the-art information about Cyber Security, its importance, good practices, and its benefits to the organization. Participants can have a view of different phases of security threats: System Hacking, Malware Threat, Sniffing, Social Engineering, DDOS attacks, and how can they respond to them.

During the training, the speakers will also confer on Breach simulation briefing and simulation of attack and a Breach Notification Requirements of RA 10173, a deep discussion on breach notification requirements under the DPA and Circular 16-03, and additional information on RA 10175 "Cybercrime Act"

Participants will take their time to report the results of their investigation on the given breach simulation, both technical and compliance reports that is why we encourage you to form or create a Breach Response team (minimum number of three (3) or more participants) to be headed by the Data Protection Officer (DPO) to attend and participate on the "Breach Response Team Report.

While we are staying at home to help control the spread of COVID 19, we are inviting you to attend our online workshop classes for Breach Response and Cyber Security Threat and Attacks. Our cyber security expert will give a discussion and demo about Cyber Threats and Attacks.

Below are the online workshop class programs/modules:

MODULE	TOPIC	TIME PERIOD	OBJECTIVES
1	DAY 1: INTRODUCTION TO CYBER SECURITY	9:00 AM	Know the state-of-the-art information about Cyber Security, its importance, good practices, and benefits to the organization
2	KNOWING THE ATTACK VECTORS (PART I)	TO 4:00 PM	Participants can have a view of different phases of security threats: System Hacking, Malware Threat, Sniffing, Social Engineering, DDOS attacks, and how can they respond to them.
3	DAY 2: KNOWING THE ATTACK VECTORS (PART II)	9:00 AM	Continuation of discussion on phases of security threats: Hacking web servers, SQL Injection, Hacking Wireless Networks, and Mobile Platforms
4	MANAGEMENT APPROACH: INCIDENT RESPONSE FRAMEWORK	TO 4:00 PM	The session will provide guidance and additional information on the security incident response framework
5	BREACH AND LIVE-ATTACK SIMULATION		Breach simulation briefing and simulation of an attack
6	DAY 3: BREACH NOTIFICATION REQUIREMENTS OF RA 10173	9:00 AM	A deep discussion on breach notification requirements under the DPA and Circular 16-03 and additional information on RA 10175 "Cybercrime Act"
7	BREACH RESPONSE TEAM REPORT (PRESENTATION OF REPORTS)	TO 4:00 PM	Participants will take their time to report the results of their investigation on the given breach simulation, both technical and compliance report.
TENTATIVE WORKSHOP SCHEDULE:			
August 22-24, 2022		September 19-21, 2022	

Our online workshop will be held for three (3) days and the Online Workshop Fee is Php 2,000/day per pax (inclusive of tax). Kindly fill up the attached Confirmation Form which requires a list of your participants and email at nharis@visraelsolutions.com for your workshop schedule. Please deposit the payment and email the deposit slip then a meeting ID and a password will be sent to your email. Payment should be made on the account of **YISRAEL SOLUTIONS & CONSULTING (YISCON) INC.**

We also conduct an in-house workshop wherein a central office can organize its regions to attend an online workshop. If you are interested, please inform us at the contact numbers stated below.

For inquiries and/or clarification, please contact us by email at nharis@visraelsolutions.com (attention to: Nharis A. Aspacio); or thru text at mobile number 0966-1877-756-GLOBE; 0938-2466-094-SMART; landline (027) 616-3086; (027) 373-8503.

Our team, though working from our own homes, would like to remind you to sanitize your gadgets, aside from washing hands frequently, as an added precautionary measure to prevent the spread of the virus.

We hope to see you in our online workshops!

YISRAEL SOLUTIONS AND TRAINING CENTER INC.

PRIVACY STATEMENT

We are committed to maintaining the accuracy, confidentiality, and security of your personally identifiable information ("Personal Information"). As part of this commitment, our privacy policy governs our actions as they relate to the collection, use and disclosure of Personal Information.

We are responsible for maintaining and protecting the Personal Information under our control. We have designated an individual or individuals who is/are responsible for compliance with our privacy policy.

Personal information will generally be collected directly from you through the use of any of our standard forms, over the internet, via email, or through a telephone conversation with you.
