JUNIOR CHEMISTRY CONGRESS 2022

The Philippine Association of Chemistry Students, Inc. will be conducting the **Junior Chemistry Congress 2022** on November 19-20.

Participation in this activity shall be on a voluntary basis. As such, the participants themselves shall shoulder any registration fees and travel/incidental expenses. Further, their participation shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 titled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance therewith*, Section 3 of Republic Act No. 5546 (Policy on Contributions), and DepEd Order No. 66, s. 2017 (Policy on Off-Campus Activities).

Attached is the letter from the Philippine Association of Chemistry Students, Inc. for reference.

For more information, please email at pacs.vpacademics@gmail.com.

This Office directs the immediate and wide dissemination of this Advisory.

Greetings!

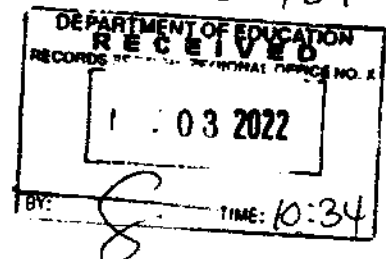

On behalf of the Philippine Association of Chemistry Students, Inc. and the whole JCC steering committee, I would like to give my warmest gratitude for giving your time to review our endorsement letter.

In line with this, I just would like to ask for an update regarding our letter of request for the accreditation or endorsement of our event, Junior Chemistry Congress 2022, on November 19-20, 2022. Thank you very much and we are hoping for your favorable response.

Regards,

Renee Shaine R. Balanay

Greetings of peace!

The **Philippine Association of Chemistry Students, Incorporated (PACS, Inc.)** will be conducting the **Junior Chemistry Congress** with the theme "**SYNTHESIZE: Solidifying Minds and Fortifying Bonds of Filipino Youth through Chemistry**" on **November 19-20, 2022**, which aims to promote the chemical sciences to high school students.

To reach more students, we request for your help in promoting our event to different high schools within your jurisdiction. We will also be willing to accept any contact details you can provide so that the organization can reach out to the institutions personally.

For more details regarding Junior Chemistry Congress, please see the attached **request letter of endorsement, program and guidelines, and organizational profile**. Should you have any clarifications or concerns, do not hesitate to reply to this email.

We are looking forward to your kind response. Thank you and God Bless!
