Dear Dr. Gazo:

Greetings in the name of public service!

First, on behalf of the Malaybalay City Fire Station, I would like to extend my sincerest gratitude for your continued support to our plans and programs which has contributed in creating a mutual partnership between our agencies.

It has been our practice to innovate and create better ways to amplify our fire safety campaign and strengthen our partnerships with the community and other sectors.

It is with great pleasure to share to you that we were able to come up with Pulaguy Kuy Duma Bumbero: Run with the Firefighters, a local running event (previous two editions added a duathlon challenge) hosted by our fire station which has grown to be one of the eagerly anticipated highlights during the observance of fire prevention month every march.

It was started last 2019. The event was also a success in 2020 and 2021 where it was the only event to push through during the height and onset of COVID-19, as it has set the bar for planning physical enhancing gatherings in compliance with accepted health protocols.

This year, Pulaguy Kuy Duma Bumbero 5: Run with the Firefighters is scheduled on March 4, 2023. Our aim is to broaden our campaign still through mutual partnerships, anchored on our theme "Sa Pag-iwas Sa Sunog, Hindi Ka Nag-iisa". Much like ensuring a fire-safe society, cooperation and unity is needed. We are positive that our small actions can snowball into a bigger impact to nation building.

In this regard, we would like to extend an invitation to you and your colleagues at the various city schools and to take part in the aforementioned event. We are optimistic that, as our constant partner, DepEd will be well-represented (1-2 representative per school) to enhance our collaboration and work together to create a safer and more advanced society.

Attached with this letter are details of the activity for your reference.

We are hoping for your positive response regarding this invitation.

Sincerely,

INSP DUFFELD TENEBRO
Acting City Fire Marshal
