Dear Ma'am,

Greetings!

We are pleased to inform you that the Malaybalay City Scholarship Program is on its 22<sup>nd</sup> year of implementation. We have served 250 scholars yearly and will soon be proud of our 19<sup>th</sup> batch of college graduates.

The implementation of the City Government Scholarship Program is still focused on the City's declared policy to protect and promote the right of its constituents to quality education at all levels. Recognizing education as priority program, the City is thus establishing an access mechanism to tertiary education for its poor but deserving students thereby guaranteeing the completion of the college of at least one (1) member in each family in the city and ensuring their productive and meaningful participation in the society. It is aimed to provide college education to incoming 250 that belong to the low income group but deserving students.

Once again, we would like to inform your office the schedule of city scholarship program qualifying examination for Grade 12 (see attached schedule). We do hope that the venue for the examination will be arranged by the school to ensure fast and smooth conduct of the test. Moreover, students who meet the attached implementing guidelines could take the exam.

Thank you and more power.

Very truly yours,

**JAY WARREN R. PABILLARAN**  
City Mayor
